24/7 Business

A simple way to manage your business banking.

Whether you're setting up or running a business, we understand that time is critical to you. We've designed a bank account that offers you the flexibility to view your accounts and make payments at a time that is convenient to you.

24/7 Business offers you the ability to manage your accounts 24 hours a day via our award winning eBanking service. You also have our Business Direct service, a team of dedicated banking professionals, there to help you with all your banking requirements – just a phone call away.

You can contact Business Direct from 9.00 a.m. – 5.00 p.m on 1890 866 860 (Monday - Friday).

24/7 Business is designed to save you time and save you money.

24/7 Business from National Irish Bank is a current account with direct access to your accounts via eBanking.

If you prefer to put your funds into different accounts, you can have up to four euro current accounts for one quarterly maintenance fee along with an ATM/Debit Card. Subject to credit assessment, you can avail of a MasterCard Corporate Classic Card with no annual fee to help you take care of everyday transactions such as purchases, travel expenses and bills.

We never forget that it's your business' money we hold in your account. So we've made it easy for you to manage your business finances.

Convenient ways to bank

eBanking

Our award winning eBanking service is an efficient way to keep pace with the finances of your business. It's quick and easy and in business, if anything saves you time, it also saves you money.

With this secure online banking service you can:

- check your account balances and see the transactions you've made since you registered for eBanking
- transfer funds to your own accounts and to other people's accounts – you can even transfer funds to an account in another bank
- transfer money across borders to accounts in other countries
- pay bills safely and conveniently
- set up, amend or cancel Standing Orders
- view your Direct Debits online – all in one place
- set up your own text services to receive an email or a SMS text to get your balance. For example, we can send you an e-mail when your balance hits a certain point

Also eBanking comes with an electronic mailbox, where your statements are safely stored. It's also a handy place for you to store any emails between us.

If you feel that eBanking does not meet your business requirements, you can choose our award winning Business eBanking. We will set this up for you free of charge, but all normal fees will then apply, which can be found in our "Clear and Simple – Business Fees & Charges Explained" brochure. Find out more about our eBanking services by visiting www.nationalirishbank.ie where you can view both an eBanking demo and a Business eBanking demo.

Business Direct

With Business Direct you get instant access to all your banking needs. One telephone call to Business Direct is virtually the same as visiting your branch in person, only it's far easier, considerably faster and much more convenient because everything is done over the phone.

Business Direct has a team of Business Managers who specialise in assisting business customers with their banking and financial requirements including:

- Accounts and transactions
- Balances and payments
- Overdrafts and loans
- Foreign exchange rates
- Cheques and audit letters

With Business Direct, you will have direct access to our entire team and can get help with just about every aspect of your business banking needs over the telephone. The team are available to you from Monday – Friday, 9am – 5pm on 1890 866 860.

24/7 Telephone Banking

If you do not have access to the internet, you can use our 24/7 Telephone Banking Service. You'll have round-the-clock access to your account if you need to check transactions or balances, transfer funds or pay a bill – day or night.

Corporate Credit Card

National Irish Bank 24/7 Business comes with the option to have a Mastercard Classic Card (subject to credit assessment).

This credit card is a handy way to manage business travel expenses and pay bills. The card will make life easier for your business and the cardholder. It is an international credit card that can be used at 24 million locations all over the world – providing freedom and flexibility when travelling.

The card is set up as a charge card and every month you will receive an invoice. With a MasterCard Corporate Classic card, you can:

- opt to pay it yourself or have the amount automatically debited to your current account
- withdraw up to €260 per day at any ATM worldwide displaying the MasterCard symbol[#]
- order an emergency card or emergency cash within 24 hours in the Republic of Ireland and within 48 hours in the rest of the world.

[#] See our Clear and Simple Business Fees & Charges Explained brochure for applicable fees.
