National Irish Bank Business

A complete solution for business banking

There's more to business than just trade, so we believe there should be more to a business bank account than just transactions.

National Irish Bank Business is more than just a bank account. We've brought together products and features to help maximise your time and make banking more convenient. We'll help you to get an overview and keep control of your business finance.

You'll also get the international expert advice and support you need, when you need it.

National Irish Bank Business is a complete banking solution with direct access to your accounts via Business eBanking (you can find out more about our award winning Business eBanking on page 4).

You can have up to five different euro current accounts along with an ATM/Debit Card. Subject to credit assessment, you can also avail of a MasterCard Corporate Gold Card with no annual fee, to help you take care of everyday transactions, such as purchases, travel expenses and bills.

You will have access to a team of business experts, who will give you support in areas such as Asset Finance, Cash Management, Invoice Finance, Foreign Exchange trades and Investment/Financial Planning.

We never forget that it's your Business' money we hold in your account. So we've made it easy for you to manage your finances.

Convenient ways to bank

Business eBanking

(Our internet banking service)

Our Business eBanking defines a new standard for online banking for businesses with many features and services especially designed to make it easier for businesses to bank. It is an efficient way to keep pace with the finances of your business saving you time and money.

Business eBanking can provide you with the ability to give your nominated employees access to your accounts – and you can define the level of access for each employee. In addition it can also be linked to your own business finance systems and you can use it across more than one company if your business is structured as a group.

With Business eBanking, in addition to the traditional eBanking, you will be able to operate within some very important areas:

- advanced cash management solutions – even cross border and across companies in the group
- financial markets with online trading of foreign exchange, securities, forward contracts*
- trade finance with online documentation for exporters and importers.

* Subject to authorisation

You can try out our Business eBanking Service by visiting www.nationalirishbank.ie where you can view a Business eBanking demo and video.

Corporate Credit Card

National Irish Bank Business comes with a MasterCard Corporate Gold Card option (subject to credit assessment).

This credit card is an efficient way to manage business travel expenses and pay bills. The card will make life easier for your company and the cardholder. It is an international credit card that can be used at 24 million locations all over the world – providing freedom and flexibility for travelling employees and business owners.

The card is set up as a charge card and every month you will receive an invoice.

With a MasterCard Corporate Gold card you can:

- opt to pay it yourself or have the amount automatically debited to your current account.
- withdraw up to €650 per day at any ATM worldwide displaying the MasterCard symbol[#]
- order an emergency card or emergency cash within 24 hours in the Republic of Ireland and within 48 hours in the rest of the world
- avail of Travel Benefits (full details are available on request)
- become a member of Priority Pass, giving you access to over 450 VIP lounges in airports around the world.

[#] See our Clear and Simple Business Fees & Charges Explained brochure for applicable fees.
