24/7 Community

A complete solution for charities, clubs and societies

You need time to run an existing or set up a new charity, club or society. That's why National Irish Bank has designed 24/7 Community. It's a banking product that will help you save time and money.

24/7 Community offers you the ability to manage your account 24 hours a day, at a time that is convenient to you via our award winning Business eBanking service. You also have our Business Direct service, a team of dedicated banking professionals, there to help you with all your banking requirements - just a phone call away.

You can contact Business Direct from 9.00 a.m. - 5.00 p.m on 1890 866 860 (Monday - Friday).

24/7 Community offers you the solution to spend less time dealing with banking transactions, and more time focussing on meeting the needs of the people in your organisation.

24/7 Community from National Irish Bank is a current account with direct access to your accounts via Business eBanking. If you prefer to put your funds into different accounts, you can have up to four different euro current accounts along with an ATM/Debit Card. Subject to credit assessment, you can also avail of a MasterCard Corporate Classic Card with no annual fee, to help you take care of everyday transactions such as purchases, travel expenses and bills.

We never forget that it's your organisation's money we hold in your account. So we've made it easy for you to manage your finances.

Convenient ways to bank

Business eBanking

(our internet banking service)

Our award winning Business eBanking service is an enhanced version of our regular eBanking service for customers with more sophisticated needs. It's quick and easy and a very efficient way to keep pace with the finances of your organisation. The best thing about Business eBanking is that it can provide you with the ability to give your nominated employees/volunteers access to your accounts – and you can define the level of access for each person. It contains a number of facilities specially designed and developed for businesses. As a charity, club or society, we are giving you the following modules for free:

- a) Information Module – which gives you a real-time update of your organisation's cash position
- b) Payments Module – giving you complete control over your payment requirements whether you need to make transfers between your own National Irish Bank accounts or cross-border payments
- c) Collection Service Module – enabling you to collect payments from your debtors/contributors via Direct Debit in the Republic of Ireland.

Our Business eBanking has a high level of security and offers you the following facilities:

- you can check your account balances and see the transactions you've made since you registered for Business eBanking
- you can transfer funds to your own accounts and to other people's accounts – you can even transfer funds to an account in another bank
- you can transfer money across borders to accounts in other countries
- you can pay bills safely and conveniently
- you can set up, change or cancel Standing Orders
- you can view your Direct Debits online – all in one place
- you can set up your own text services to receive an email or a SMS text to get your balance. For example, we can send you an e-mail when your balance hits a certain point
- Business eBanking comes with an electronic mailbox, where your statements are safely stored. It's also a handy place for you to store any emails between us
- if you are a Direct Debit Originator, you can collect your contributions by Direct Debit. For further information on becoming a Direct Debit Originator, please visit www.nationalirishbank.ie/ddoriginator.

You can try out our Business eBanking Service by visiting www.nationalirishbank.ie where you can view a Business eBanking demo and video.

Business Direct

With Business Direct you get instant access to all your banking needs.
